

# **1 Introduction**

## **2 Required Knowledge**

### **2.1 About Languages**

#### **2.1.1 Python**

What is it ? Why using it ?

#### **2.1.2 AJAX**

What is it ? Why using it ?

#### **2.1.3 SVG**

what is it ? Why using it ?

### **2.2 About Modelling**

#### **2.2.1 Statechart**

what is it ?

#### **2.2.2 ATOM3**

what is it ?

## **3 The Application**

### **3.1 The Drawingtool**

#### **3.1.1 Goal**

what is it for?

#### **3.1.2 Progression step by step**

Why do we advance step by step ? What are the different steps ? How do we solve the different problems we met ?

### **3.2 The result**

What do we have now ? What is the conclusion ?
